

JULIE / JULY
ISSUE/UITGAWE 2022

Uit die Voorsitter se Pen

Mr President, NDAC Committee and Members

NDAC's Annual General Meeting and Prize giving is just a few weeks away. I would like to invite all members to the meeting on September 3rd, 10 am at the Club House and the prize giving that evening.

If you are interested to become part of the NDAC Committee, please feel free to contact myself or any Committee member.

The prestigious OET Bill & Game Fish Tournament will take place during the first week of November in Sodwana Bay, this event is also a Mpumalanga Inter Club competition. There will be amazing prizes and the OET Club Champions Trophy up for grabs. Please visit www.mpangling.co.za for more Information.

Our Annual Boat Test Days will be on October 15th in Malelane and October 22nd at the Club House, please come and join us on the day to catch up with friends and ensure your vessel is ready for the OET and December holidays. Please contact Attie Ackerman if you need any details regarding the test days.

Well done to our Angler of the Month, Francois Bezuidenhout with a nice Yellow Fin Tuna of 19.9 Kg caught off Shelly Beach during the recent Tuna Inter Provincial Tournament.

Please send us your stories and photos of catches you made to jolenegates123@gmail.com to be published in the newsletter.

Congratulations to all our members who are celebrating their birthdays in August. I hope it is a memorable day and a blessed year.

Yours in Angling
Sam Botha
NDAC Chairman

Datums om te onthou:

AGM/Prysuitdeling: 3 September

Boot toets: 15 Oktober - Malelane

22 Oktober - Klubhuis

HENGELAAR VAN DIE MAAND

Baie geluk aan Francois Bezuidenhout met 'n 19.9kg Yellofin tuna wat hy gevang het op Shelley Beach tydens die interprovincial kompetisie. Hy het ook 'n swart marlyn tydens die kompetisie gevang.

NUWE REKORDS

Dit is met groot trots wat ons die volgende nuwe rekords deur NDHK klub lede kan bekend maak. Baie geluk aan elkeen!!

Congratulations to Hester O'Reilly on a new 10Kg/20Lb line class Club Record 9.84 Kg Dorado

NUWE REKORDS

**Congratulations to Alwyn Kruger on a All-Tackle Social Club
Record for a Garrick weighing 14.72kg**

NUWE REKORD

Congratulations to Dawie van der Schyff on not only a new 15 Kg line class Club Record but also an All Africa Record for his catch of an Eastern Little Tuna weighing 15.2kg.

HUIDIGE REKORDS

TUNA INTERPROVINCIAL—MPUMALANGA PINK REPORT

Amber Prinsloo and I, Hester O'Reilly, represented our club in association colours in the Mpumalanga Pink team for the Shelly Beach Tuna Interprovincial.

We arrived on Wednesday evening of the 6th of July and met up with the rest of our province representatives. We all assisted each other in finalising small details and sorting out our tackle and gear, two of our reals had issues the drag would not release and my husband Devon O'Reilly was kind enough to assist in driving to Durban to Paul Nixon who was kind enough to assist us immediately.

We attended the opening ceremony held by the Shelly Beach Ski Boat club, and they did a fantastic job in catering for all the teams as well as make every single one of us feel welcome. We were all placed on different tables with other provinces or team which helped everyone interact and get to know the people you are fishing with and against better. Mpumalanga Pink was placed with the PE team, and we had an absolute blast getting to know them and everyone else, it was a very serious but social competition.

Amber and I were capped for the first time, was an amazing feeling being welcomed into the competitive fishing side of what we love doing, a very proud moment for the both of us. After all the formalities were done they did the boat actions for each team which determined what would be our Rides as well as skippers for the competition.

On Friday 1st day of fishing the weather was perfect, calm wind and flat sea. We were fishing on a boat called Castle Bravo the skipper was called Allen, it was a mono hull Cape Craft with 2 x 115hp Yamahas motors.

We headed out to find live bait first about 15km north from where we lunched close to shore, spent about 45 minutes there and only got about 10 redeyes so we decided not to wait any more time and head up to Diep gat as start fishing.

We pulled some lures (plastics) had purple and black, pink, orange and the red and white colours out in the water, we tried that for about an hour and no luck, so we moved over to the Shelly way of fishing (Chumming). I sorted out the chum bucket whilst Amber and our team captain had their rods in the water, we used J hooks with pieces of redeye at first as bait then moved over to sardines, whilst I was chumming the other two were feeding their bait lines in the water. First strike was Ambers turn we lost that fish our knots pulled and our skipper showed them how to do the figure 8 knot to help, after that our Captain Zelda had her turn on a strike and we lost that one as well again we had a knot that pulled, the 3rd strike was my turn and I managed to get a +- 6 kg Tuna in the boat but not enough to weigh for points but we had blood on the deck so for us it was a win at least after that we did not land any other fish for the day.

We enjoyed dinner again at the club house and heard all about how the rest of the teams had done that day.

Day 2 Saturday, we had a Nova Cat 22ft Sport Fisher with 2 x 150hp Yamahas motors our skipper for the day was Barney, the weather was not so great with a strong wind from the west only getting worse later that day

This day we decided not to waist time on live bait and head straight out to the spots where the big fish came out the previous day. We got to the spot and put out our plastic's same colours as they day before to see where the fish where before we start the chumming, we where about a half and hour in when we had our first run on the pink Africa lure and Amber Caught a 6.1kg tuna that morning after that it went quiet. After 12 we had already been chumming for the big fish and got cleaned out by sharks every run, we had we were taxed it was soul crushing by the end of the day, which was just after 1 as the wind went pasted 22 knots all boats were called in for the day.

That evening we again had dinner at the club, and it was then announced that lines up for Sunday was moved on with an hour much to everyone's joy.

Sunday last day of the competition we had the hour of fishing on MeSteph a Lee Cat Express 80 with 2 x 200hp Suzuki's, with an amazing skipper Faith Lategaan, what an hour it was to learn from her.

We started the day getting live bait and moved straight over to chumming and putting out 2 livies on our lines whilst chumming and working the area, we had 2 strikes again amber and Zelda both loosing their fish taxed, I then managed to get another 5-6 kg tuna on the boat. Moving to a different location after that we continued the game plan we had with the live bait out on 2 lines and chumming 2 more line after 12 that afternoon Ambers rod went made, whilst bringing in the access lines to clear the back the second rod went wild and Zelda took control, working hard Zelda managed to bring her fish in first a beautiful 17kg tuna, after about another 15min Amber landed her 19.4kg amazing Tuna on the boat her personal best by far, safe to say that all hell broke loose on that boat with all the excitement of not only landing 2 amazing fish but those fish out us on the bored and we were not going home with 0.

After we put the fish in the hatch and cleaned the deck up, we went back to where we had our strikes and worked it again, this time it was my turn and I managed to pull out an 18.4kg tuna my personal best as well. We where ecstatic with joy like no one could imagine. After cleaning the deck of which it looked like a saw moving scene, we went and worked the area again, with the sea condition that turned for the worst and the wind that picked up we could not get our lines in the water to work properly it just became a mess so with that we called it a day.

We ended up in 5th place and I truly could not be more proud of this, for those who have fished shelly before they will know but for those who haven't it is an amazing comp and experience but it also is a lot of hard work and we worked our butts off and in the end it paid off and we are absolutely thrilled with our position being our first time there and working so hard we went home smiling, Next year we will be hunting the medals.

With this experience we learned so much, worked so hard and made some good friend along the way, we want to thank our club for the support they gave us with this we appreciate it more than words can say.

To our province and to Natal province it was an absolute honour to fish this comp and to represent our club and province.

TUNA INTERPROVINCIAL

TUNA INTERPROVINCIAL—MPUMALANGA RED REPORT

Dear NDHK

We would like to thank the club for the support to participate in the Tuna interprovincial, held at Shelly beach ski boat club.

We were privileged to be selected by MDSAA in the Mpumalanga red team, Francois Bezuidenhout (Captain), Andries Gower and Bryan Jooste.

Francois drove to me early morning of Wednesday and was a bit of challenge to reach my premise due to the strike action that started but lucky he managed to get through and we left just after 6 on route to shelly beach the drive was a bit long but reached the shelly beach ski boat club just after 2pm.

The format of the competition allowed for a boat draw, which meant we fished of a different vessel and skipper every day.

Our first fishing day the Friday: Very excited and ready for Day 1 safely launched and lines down just after 7. We ran to get live bait around 9:30 we had enough live bait and went to protea banks we trawled a bit to see any action on the water and started to drift. We had a hookup on the ballon floating with a live bait, Andries got the fish to the boat but unfortunately the hooked pulled right by the boat. Francois also hooked up of a chum block and landed the fish 19.9kg tuna. We caught another 2 under size fish around 7kg mark, as minimum weigh was 10kg.

Day 2, we fished with Faith Lategan on the vessel MeSteph, the wind was blowing early and prediction was that it will pick up during the day. We again ran to get live bait and around 9 we were on the banks started the drift. The previous evening when we spoke to the skipper we agreed that we will be flying a kite with a live bait due to the wind this was possible. A very interesting concept and we all learned a lot and how to handle the kite to keep you live bait in the water. On the first drift we were tight with a tuna on the kite, it was Francois turn on the kite, but unluckily the hooked pulled during the fight. We also caught another 6kg tuna during the day. At 12:00 the day was called off due to the wind and weather.

You get different kites but this was a normal kingfisher kite, linked to an electric reel (but can also be a normal reel) with braid, a few meters down an outrigger clip that slides down to a crimp. Your line with live bait the goes through the clip, as the wind moves the kite up and down you need to keep the live bait in the water so one angler must be on the rod the whole time. The idea is that there is 0 drag on the live bait and swim much more natural. If you like to know more of this concept please speak to us we are happy to explain in more detail.

Final day 3, we fished with Nathan Pienaar, the fleet owner of the majority the boats that was used during the comp.

We must say it was the day of the SHARKS, we unfortunately lost 4 fish during the day and it was all big fish that was taxed. We had a silver lining to the day when Francois hooked on a Black marlin that ate one of the live bait's, we managed to release the marlin in around 25mins on 15kg line. We were very happy but unfortunately as being Tuna competition the marlin carries 0 point. Andries had a big fish on during the end of the day, but could not id the fish as it stayed down after about 35minutes unfortunately we lost the fish. We did land a tuna of 7kg also during the day.

We would like to take this opportunity to thank the club and the province, it was a great honour and pleasure to represent the club and looking forward to more opportunities in the future.

Kind regards
Mpumalanga Red team
Andries and Francois
