Rekords/Records

Graag wil ek voorle aan julle vir watter tipe rekords aansoek gedoen kan word deur ons Klub. Die kommittee het besluit om nuwe kategoriee oop te stel om lede wat sosiaal hengel ook te kan vereer met Klub rekords.

I would like to submit to you what types of records can be applied for at our Club, the committee have also decided to open new categories to honor members for social catches with Club records.

Die tipe rekords waarvoor ons Klub lede kan aansoek doen:

The list of all the types of records that our Club members can apply for:

IGFA All Tackle Record	South African Line Class Record
IGFA All Tackle Length Record	OET Line Class Record
IGFA Line Class Record	NDAC All Tackle Length Record – New Category
All Africa All Tackle Record	NDAC Line Class Record
All Africa Line Class Record	NDAC All Tackle Social Record – New Category
South African All Tackle Record	

Ek wil eerstens bietjie fokus op die nuwe kategoriee wat ons ge-open het:

NDAC All Tackle Length Record

Hierdie kategoriee is spesifiek oopgestel veral vir hengelaars wat aan kompetesies deel neem en waar vis terug geplaas moet word vir die Kompetisie om bewaring van ons visbronne te beskerm. Spesies waaraan ons dink is die veskillende spesies Koningvis, Kakaap, Barracuda spesies ens, maar enige soutwaterspesie, lewendig of dood kan in aanmerking kom vir die rekords.

IGFA reels is van toepassing met die hengelmetode waarmee die vis gevang word, maar enige lynklas kan gebruik word tot op 'n maksimum van 60kg/130lb

Geen haaie sal in aanmerking kom vir enige rekords nie

Om in aanmerking te kom vir die rekord het ek die volgende nodig:

- Foto van die hengelaar en die vis
- Foto van die vis met 'n maatband wat die hele vis se lengte duidelik aandui (Vis moet gemeet word van die voorkant van die mond tot in die vork van die stert)
- Boot se naam, Skipper se naam, Hengelaar se naam en plek waar die vis gevang is (Hierdie kategorie is oop vir vis enige plek gevang ter wereld)

NDAC All Tackle Length Record

This category is specifically open to anglers who participate in competitions and where fish must be released back for competition to protect our fish resources. Species we think of are the different species of Kingfish, Green Job Fish, Barracuda species etc., but any saltwater species, alive or dead, may be eligible for the records.

IGFA rules apply with the fishing method used to catch the fish but any line class can be used up to a maximum of 60kg / 130lb

No sharks will be eligible for any records

To be eligible for the record, I need the following:

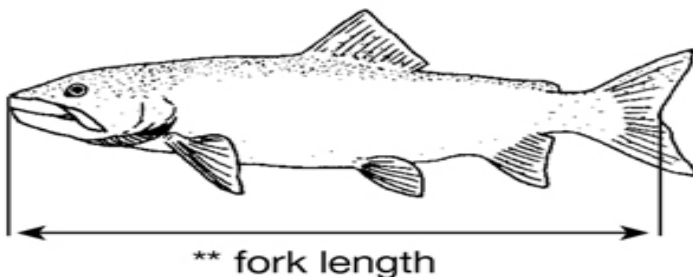

- Photo of the angler and the fish
- Photo of the fish with a tape measure clearly indicating the entire length of the fish (Fish must be measured from the front of the mouth to the fork of the tail)
- Boat's name, Skipper's name, Angler's name and place where the fish were caught (This category is open to fish caught anywhere in the world)

NDAC All Tackle Social Record

Hierdie kategorie is oopgestel veral vir ons lede wat nie aan kompetisies deelneem nie maar ook om aan enige groot vis erkenning te gee wat dalk nie op die streng voorwaardes van die internasionale reels gevang is nie. Enige soutwaterspesie behalwe haaie kan gevang word enige plek ter wereld met 'n maksimum lynklas van 60kg / 130lb. IGFA reels is nie van toepassing nie, so drie angel hoeke is aanvaarbaar maar asseblief manne, geen plofstof, harpoene, skepnette en ander onredelike maniere van hengel is aanvaarbaar nie.

Om in aanmerking te kom vir die rekord het ek die volgende nodig:

- Foto van die hengelaar en vis
- Gewig van die vis
- Lengte (Gemeet vanaf die voorkant van die mond tot in die vurk van die stert)
- Omtrek van die vis (Gemeet reg rondom die vis waar hy die breedste is.
- Boot se naam, Skipper se naam, Hengelaar se naam en plek waar die vis gevang is

NDAC All Tackle Social Record

This category is open especially to our members who do not take part in competitions but also to give recognition to any big fish that may not have been caught under the strict conditions of international rules. Any saltwater species other than sharks can be caught anywhere in the world with a maximum line class of 60kg / 130lb. IGFA rules do not apply so treble hooks are acceptable but please, no explosives, harpoons, nets and other unreasonable fishing methods are acceptable.

To be eligible for the record, I need the following:

- Photo of the angler and fish
- Weight of the fish
- Length (Measured from the front of the mouth to the fork of the tail)
- Girth of the fish (Measured right around the fish where it is the widest.
- Boat's name, Skipper's name, Angler's name and place where the fish were caught

Ek begin ook 'n databasis van alle vis wat gevang word deur die jaar deur ons lede op sosiale en kompeterende vlak. Ons wil graag ons lede vereer vir hul hengelprestasies maar ons het die inligting nodig. Ons kan slegs hengelaars vereer waarvan ons weet, asseblief stuur al jul vangste na my toe, per selfoon of email.

Indien daar enige vrae is of iets waarmee ek kan help, asseblief skakel my en ek help graag.

I will also start a database of all fish caught throughout the year by our members on a social and competitive level. We would like to honor our members for their fishing achievements but we need the information we can only honor anglers that we know of, please send all your catches to me, I can be reached by phone or email.

If there are any questions, please contact me and I will be happy to help.

Hengel groete/ Fishing Greetings
