Newsletter / Nuusbrief: October / Oktober 2018

Mr President, NDAC Committee and Members

Big thanks to everyone who attended NDAC's AGM at the Club house. The enjoyable prize giving at Kwanyoni Lodge was well attended by Anglers and their families. Well done to all the prize winners NDAC is proud to have you as members.

This year's boat test days will take place at the Clubhouse in Nelspruit on October 13th, Onderberg on October 20th and Hazyview on October 27th. We as a committee decided to wave all surveyors' fees for the planned three days and will only charge R100 for the issuing of the COF document. Normal surveyor's fees will apply for tests outside the said dates. Please take the time to bring your boats to the arranged venues for its sea-worthy and make sure you are legal for your next fishing trip. All the necessary documentation can be downloaded from the NDAC website to bring with on the day.

Well done to our angler of the month, Lee Freeman with some nice Kingfish caught at Canda Island, Mozambique.

To all our members celebrating their birthdays in October, may it be a memorable day and a blessed year.

I am very excited to announce that the committee is launching a new project to create a member's only area at the clubhouse where the NDAC family can unite and call it our Clubhouse again. If there is anybody who wants to get involved or have suggestions regarding the project, please feel free to contact any of the committee members.

The next Tackle Box will be held at the Club House on October 10th. Our host will be Arno Laubscher on Tarpon fishing; details will be made available soonest by SMS. I urge all members to attend these events for a bit of fun, making new friends and catching up with some old ones.

***Yours in Angling
Sam Botha
NDAC Chairman***

October also has two birthstones; Tourmaline and Opal. Tourmaline is a favorite gemstone for many because it's available in a rainbow of beautiful colors. Opal gemstones are truly unique because each individual gem is adorned with a one-of-a-kind color combination.
