**Hon. President
Paul A. Whitaker**

Dear Member & Family,

Fishing news is that Charl Carey caught & released a \pm 550lb Marlin at the Guinjata Bonanza Compo for which he was chosen as Angler of the month...see pictures elsewhere in the Newsletter, well done Charl!

The Hoedspruit competition is this coming week starting the 1st of July. According to Sam Botha there are going to be plenty of juniors entering, tight lines and a safe trip to them all.

On a sad note our memorial stand with the Red light which burns with the name tags of deceased members has been vandalized and \pm 20 names tags have been removed. I believe Chris is offering a reward for information to try and identify the culprits so if anyone can help please do so.

The 50 Year Birthday Bash is busy filling up with 9 tables of 10 guests already, so those still wanting to come please contact Brad van Zyl to organize a table of 10. It is going to be great evening of prawns, chicken & dancing.

Unfortunately our Records Officer Jaco Jordaan has had to move his operation to Tzaneen so he has asked for leave of absence for a while, a big thank you to Jaco & Lorinda for the great job they have done so far.

Tight lines to you all and may the wind blow gently on your faces.

Yours Faithfully,
Paul A. Whitaker

News Snippets / Nuusbrokkies:

26 June 2013 at 08:40 - Marlin beaches in Durban

[\(http://www.ecr.co.za/post/photo-marlin-beaches-in-durban/\)](http://www.ecr.co.za/post/photo-marlin-beaches-in-durban/)

A blue marlin was found on the shore at Vetchies Beach on Tuesday. The fish weighed around 140kg and had a long-line hook in its throat. The marlin reached the beach alive, but eventually died. Several marlin were spotted chasing shad off Vetchies yesterday. The area has been fishing well for shad lately and it seems the marlin were keen to join anglers in cashing in.
