THE PRESIDENT, NDAC COMMITTEE AND MEMBERS

It was with great sadness that we learnt about the passing of club life member Oom Frans Hermans during the past month. Oom Frans was a legend in his own right and always had advice on any matter that required attention. He will long be remembered for his peri-peri chicken and superb Prego's, that he prepared for the club over many years. To Julia, to whom Oom Frans was married for over 50 years, our sincere condolences.

The angler of the month is Pierre Pienaar for a Yellow Spotted Kingfish caught during this year Inhaca challenge. Great fish Pierre well done.

A tackle box will be hosted at Angling & Outdoor at their venue sometime in the near future again. Henry is busy finalising the final arrangements with them. Specials will be available to all club members during this evening and everybody can match their fishing endurance on their fishing simulator. Date to be announced!

This year's NDAC prize giving will be held in the Onderberg at the TSB lapa in Malelane during September. This will be a first for the club and we are hoping to host in excess of 100 members and friend at this function.

We currently have three club boats fishing in the Hoedspruit junior development competition at Sodwana which promises to be well supported and is mainly focussed on junior development.

Lastly those members who have not paid their annual subs, it is unfortunately too late as their membership to NDAC will be terminated as from end of July. Should they wish to again become members they will have to re-apply for membership?

Yours in angling
