Uit die Voorsitter se pen / Note from the chairman:

Mei maand was n baie interresante hengel maand...

Met die Inhaca Challenge wat 'n baie suksesvolle toernooi was, en alle vorige rekords verbeter het, weet ons nie of dit die groot volmaan was of die manne se goeie gees nie. Baie geluk aan al die deelnemende hengelaars en organiseerders. Veral n groot dank aan die borge.

Charl Carey en 'n paar hengelvriende het dit goed gedink om hul hengel vernuf in Guatamala te gaan utoefen, en 'ngroot sukses daarvan gemaak. Charl het n seilvis van 100lbs met 6 lbs lyn gevang en ook n marlyn van 400 lbs met 20 lbs lyn. Charl het 'n baie suksesvolle "Tackle Box" aangebied, waarin hy terugvoering gegee het oor die hengeltrip.

Hou die nuusbrieff dop, vir nominasies vir klub- en provinsialespanne, vir n seilvis toernooi, in Oktober te Sodwana, en ook die jaarlikse Kenia toernooi.

Die jaarlikse OET – Mercury kompetisie word vanaf 5 tot 9 November te Sodwana aangebied , slegs 75 bote, word toegelaat, om teleurstelling te voorkom kontak so gou moontlik vir Jan Joubert.

Neem ook kennis van die Algemene Jaarvergadering wat sal plaasvind op 25 Augustus 2012. Hou die nuusbrieff dop vir verdere kennisgewings.

Alle hengelaars word vriendelik versoek om interresstante foto's en stories op die webwerf te laai, kontak gerus vir Denise Carey vir hulp.

Sterkte aan al die junior hengelaars met die eksamens wat voorlê.

Marlyn Restaurant bedien die heel beste pizza's, steak en ander disse in die dorp, teen billike pryse, ondersteun hulle asseblief.

Hengel Groete

Hengelaar van die maand / Angler of the month:

Angler	Charl Carey
Fish	100lb Sailfish on 6lb line
Boat	Decisive
Skipper	Capt. Brad Phillips
When	April 2012
Where	Guatemala

A gift voucher to the value of R 200 will be posted to this angler. The "Angler of the Month" award is proudly sponsored by Solly's Anglers Corner Nelspruit...

Charl was one of six guys that went to Guatemala in April. Over 5 days of fishing the two boats managed to land 128 Sailfish, 2 Blue Marlin of +/- 300 and 400lb respectively, and +/- 20 Dorado. The biggest sailfish was app 130lb...

Charl and one of the other guys also chartered a boat to try to land a Roosterfish and were lucky enough to catch 3, the biggest of which was +/- 35lb.

During the last tackle box Charl presented a very informative slide show about the trip which was a real treat to all present. Thank you very much for sharing your experience with the members. We want to encourage our members to attend the monthly tackle box that takes place at the clubhouse, The Marlin Pub and Grill.

Hengelaars terugvoering / Anglers feedback:

Cormoran shows the boys how to take the Three Ships Inhaca Challenge

The 15th annual Inhaca Challenge took place at Inhaca Island Mocambique from the 7th to the 11th May 2012. Thirty two boats entered and the competition was fierce over the five days. Vessels from South Africa, Swaziland and Mozambique took part.

Most anglers gathered on the island from Saturday the 5th and old acquaintances renewed. It was apparent that the friendly rivalry was at a high competing for prizes in excess of R 600 000.00

On the Sunday evening prior to the competition the skippers briefing was held at the Pestana Inhaca Hotel. The King of the Island (Evenisse Nhaca) asked for blessing on the competition from the sea gods and the ritual sacrifice of a chicken took place on the beach. The administrator of the Island expressed his appreciation to the Organizers for hosting the event on Inhaca and for the economic boost that it has on the poor people of the Island. He extended the invitation to the competition to return next year.

Monday morning dawned with a calm sea and a light breeze. The Port Captain took the salute from the pier after the starting flare was discharged. The first day saw the order of things to come with the boat Cormoran from Maputo 1st under skipper Bino, Frisky Girl skipper Johan Snyman 2nd and 3rd My Cat under the experienced control of Piet Pienaar. The lead changed through the week but the boat Cormoran maintained a commanding point's lead under the capable leadership of Bino whose local knowledge proved invaluable.

Throughout the week the weather was the best we have had for this competition. Calm seas, a light breeze and blue skies greeted the anglers every day. Another factor that might have had an influence was the spring tides and the magnificent full moon, which was at its closest to earth for a very long time, shining down from the night sky. It became quite evident as the days went by that this was going to be the best competition ever in the history of the challenge. The quality and size of fish caught exceeded anything previously recorded in the event.

One of the features being the number of large, and I mean large, Yellow fin tuna and Cuta. This was no longer just a Cuta (king mackerel) competition but truly a game fish event with a large variety of species. Never before have there been so many birds and life in the ocean. The fleet made good use of these conditions to harvest their catches.

An extremely important point about this contest is the tag and release policy. 9 Sail fish were released and 2 Marlin lived to fight another day. There were in addition to the billfish released 21 fish on the list of game fish considered to be threatened that were sent back having been photographed, measured and released.

A number of record statistics were broken in this year's Challenge.

- Highest average weight of Cuta ever 9.1kg
- Highest average weight of Yellow fin tuna ever 14.3kg
- Heaviest Cuta in competition to date 28.5kg
- Heaviest Yellow Fin Tuna in competition to date 43.8kg
- Heaviest Wahoo in competition to date 33.1kg

The King of the Island and his Wives performing the blessing of the Fleet...

All good things have to come to an end and prize giving was held on the evening of Friday the 11th. There was a great air of expectancy as the most competent master of ceremonies Craig Henkel was about to reveal who featured in the prizes.

Hengelaars terugvoering / Anglers feedback:

The most meritorious fish was a 43.8kg yellow fin caught by Mark from the boat Dabulamanzi. This fish also won its crew the much coveted cash price of R31000.00; known as the Calcutta.

Runner up was a Wahoo of 33.1kgs caught by Sam of the boat Grande Pe. The biggest Cuta ever caught in the Challenge, a 28kg beast caught by Theo on the boat Sea Nergy took 3rd biggest fish.

Cormoran maintained its lead with a massive point score of 871.5. (Highest score ever recorded in the competition.) My Cat was 2nd with 497.95 points and 3rd was Frisky Girl with 465.1 points.

The best individual angler was Peter from the boat Cormoran with 249.5 points. 2nd was Pierre with 115.3 points and 3rd Riekert with 100.8 points; both anglers from the boat My Cat.

Our best junior was Wernich from boat Grande Pe.

The competitors were entertained after dinner by a team of dancers from the hotel and the party continued well into the night. On the 4th day after prize giving pupils from the local school, with their headmaster were handed out shirts, jackets and other items from the tournament organizer on the behalf of Caltex Northern Marketer. They also received a gift of fish including the monster yellow fin donated by Mark Dedekind and his crew. They were most appreciative. Donations of fish were also made to a group of TB sufferers at the local Hospital. . It was also noted that the organizer's sponsored the entry fees of three of the local boats from Inhaca Island to the amount of R5000.00

A big thank you is extended to the Mozambique Authorities who ensured that all the administration in getting the competition approved went off without a hitch. Thanks also to Club Naval and their Commodore who assisted in getting all the boats in and out of the water. Also to Janet and her Staff at the Pestana Inhaca Hotel, who without, this event would be the success it is. A big vote of thanks to the Inhaca Committee who have once again put their time and effort into making this event one of the best ever.

Finally and most importantly our grateful thanks to Three Ships Whiskeys and the rest of the sponsors without who there would not be an Inhaca challenge.

Hengelaars terugvoering / Anglers feedback:

Garth Mc Gee & Span doen dit weer

Tydens vanjaar se Aqua Malongane spesiehengelkompetisie het die span van Manyana, met Gart Mc Gee (skipper), Peter Goldsmith, en Kobus Maas, die kompetisie vir die soveelste keer gewen...en dit op 'n rubberboot!

Hengel vas vanjaar moeilik, met die vis skaars en seetoestande nie baie goed nie.

Die algemene gevoel onder die 9 bote en 2 Jetski's was dat die speelveld vanjaar meer gelyk sou wees, aangesien Garth nie met sy groot boot, "SeaDucer", deelgeneem het nie en dus nie so ver kon gaan soek vir die grotes nie.

Maar die span se ervaring en vaardigheid het weereens gewys dat hulle die gedugte kompetisie onder enige omstandighede is.

Hulle het welliswaar met 'n baie klein voorsprong (174,2 punte) gesevier oor Sonskyn, die skiboot van Lood de Jager (skipper), Kobus Hattingh, Nico Havenga, Sean Ottly, en Hentie van der Merwe wat 173.1 punte behaal het.

Derde was die Van der Heever broers wat elke jaar met twee Jetski's deelneem. Omdat net eer persoon op elke Jetski moet skip en hengel, wat uiters moeilik is, word die twee Jetski's se punte saam gegooi. Hulle het 110.4 punte behaal.

Ander bote wat die heerlike week meegemaak het was Piet Pretorius se "Witblits"; Christo van Graan se "Halc"; Chris Myburgh met "Aqua Joy"; Piet Broodryk met "Carra Pau"; Ben Jones met "Makisaki II"; Willie van Rensburg (verlede jaar se wenner) met "Fish Eagle"; en Ben Bezuidenhout met "Fish On".

Andre Coetzee.

Aqua Malongane 2012 was the 13th anniversary of this competition that has been running since 1999. The competition is a fundraiser for Wenakker.

Wenakker is a residential centre for 230 intellectually disabled adults from Mpumalanga. After screening and admittance most of them stay for the rest of their lives. Wenakker was started in 1969 by the parents of three intellectually disabled children and has grown into one of the largest private centres of its kind in South Africa.
