THE PRESIDENT, NDAC COMMITTEE AND MEMBERS

The Onderberg Specie Bonanza took place at Ponta Barra, Mozambique during March and 28 boats competed for the record R400 000 prize money. Congratulations to Gustav and his team for securing these fantastic prizes and for hosting this superb comp. The competition was again won by Johann Mare and his team on Johmar, second placed boat was Fatikaki and third was Charlies Angel. Some superb fish were landed during this comp and the best fish was a 38.8kg GT which was caught by Ben Oosthuizen. First place individual was Lionel Eva and the top junior was Braam Cronje fishing off Aqua Holic. Photos of the comp are available on Facebook under "Onderberg Specie Bonanza".

<https://www.facebook.com/onderbergspesies.uitnodigingsbonanza>

The 2014 Inhaca Challenge will take place in May and organisation is in full swing. Entries and prize money seems to be on par with last year's event. To Gavin and his team many thanks for all the hard work in preparing for this year's challenge. Reduced hotel accommodations rates have been negotiated very successfully and this year rates are on par with 2010 rates. Tight lines and travel safe to all members fishing this comp.

The All Inland and OET comp will be held at Sodwana during May 2014. NDAC has one boat representing the club in this comp, but should any other members wish to fish for the club side, please contact myself or any committee members for details. Travel safe and tight lines to all members fishing this competition. Please remember the club sponsors these members fishing for the club or provincial teams.

Ben Oosthuizen has also been chosen as angler of the month on landing a GT of 38.8kg during the Onderberg Specie Bonanza, what a superb fish. Well done Ben.

Again a friendly reminder to those who have not paid their annual NDAC subs, please pay this at your earliest convenience.

Yours in angling
Edwin Freeman
