## Newsletter / Nuusbrief: August/Augustus 2018

### Mr President, NDAC Committee and Members

With another club year almost, something of the past and NDAC's Annual General Meeting just a few weeks away, I would like to invite all members to the meeting on September 8<sup>th</sup> at 10 am at the Club House and the prize giving that evening at Kwanyoni Lodge.

Matthew Potgieter and his under 19 team represented Mpumalanga at the Junior Nationals and earned themselves Bronze medals in Shelly Beach. In the Individual Angler standing Matthew Finished in the second position with some very nice fish caught during the week. Well done Matthew, you made us proud. If any member is interested in representing the club and Mpumalanga at a higher level, please feel free to contact the committee and we will gladly explain to you the "road to colours". Well done to our Angler of the month, Matthew Potgieter with some very nice Yellow Fin Tuna caught at Shelly Beach.

Congratulations to all our members whom are celebrating their birthdays in August. I hope it is a memorable day and a blessed year.

Currently the club is in a good state with over 170 members affiliated to Mpumalanga and SADSAA. Any members interested in becoming more involved or part of the NDAC committee please contacts me or any committee member.

The next Tackle Box will be held at the Club House on August 15<sup>th</sup> and details will be made available soonest by SMS. I urge all members to attend these events for a bit of fun, making new friends and catching up with some old ones.

*Yours in Angling*  
**Sam Botha**  
 NDAC Chairman

MAN I LOVE FISHING

**Yellowfin** is less expensive than Bluefin, but is nearly as good. Yellowfin is also more common and easy to find in the grocery store or fish market. It is pale pink, with flavor a bit stronger than albacore.

**Bluefin** are the world's largest tuna and can live for up to 40 years. Built for speed, they can dive up to 4,000 feet and have retractable fins so they can seek out schools of herring, mackerel and eels
